THE NEW MINT SUPERINTENDENT.

Yesterday the announcement was received by telegraph that Hon. S. C. Wright had received the appointment of Mint Superintendent. The remarks made by the Enterprise are so apropos that we merely reproduce them as exactly coinciding with our own. It says:

It has been understood for some time that there would be no opposition to the appointment of S. C. Wright as Superintendent of the Carson Mint, and the news that it has been made will surprise nobody. President Harrison has made no selection that is so generally acceptable. Positive man as is Mr. Wright, always definite in his assertions of belief, and never afraid of his own convictions, his even temper and strong common sense have enabled him to command the respect of opponents when other men equally positive would exasperate. Suitable on account of general approval, the appointment is suitable when viewed from the higher plane of the ascertainment of fitness for the position. Mr. Wright is not only a good general manager, but has also that quality of executive ability that keeps details always in mind, and there will be no complaint from either party so long as the Mint is under his direction. It is too old a pun, or we would say something about the "Wright man," etc.

LIGHT IN THE SOUTH.

The Augusta Ga., Chronicle is one of the strong Democratic papers which are chafing under the domination of the Borbon faction of the Democratic party. In a recent issue the Chronicle makes bold to say that "Protection is the unwritten law of this country," and to declare:

The fiat has gone forth. Free trade is dead. No party can ever hope to succeed in a national election that recognizes it as a theory, or temporizes with it as a policy. It is the deadly Upas that would poison and destroy the industries of this country, and that will poison our cause and bring defeat to our party in every national election.

Mills and Carlisle may call the Chronicle a traitor, but it unquestionably represents the sentiments of a considerable portion of the best Southern people.

Some wild unlettered people in Asia, known as Kurds, recently attacked a bridal party and capturing the bride boiled her in a big pot and then feasted on the stew. This extraordinary method of putting a bride into the soup does not commend itself to our modern civilization. The dispatches neglect to say what they did with the groom or their methods of entertaining the parson.

The backers of Proctor Knott seem to have been treated to a grand surprise at the Kentucky Derby. Knott was selling for \$150 to \$114 against the field and regarded as a certain winner. A Montana rancher, however, came in and his horse Spokane struck the wire a nose ahead of the favorite. The Governor of Kentucky has ordered crape to be worn in the blue grass region for 30 days.

The Chinese woman who was returned to British Columbia from Port Townsend a few days ago, is seeking a clergyman at Victoria, to marry her to a Chinese merchant who will thus take her to Puget Sound. Several clergyman knowing the circumstances have refused to marry the parties.

W. J. Henly, the County Clerk of Esmeralda, has been removed from office for malfeasance. That need not worry him. Some years ago a county officer of Ormsby was removed for malfeasance and now holds one of the highest offices in the State.

The Hoar committee, containing some of the leading Senators of the United States, is now on its virgin perking trip and engaged in doing San Francisco.

ALPHA.

ALPHA will make the Season same as Gibraltar. Terms, \$25 for the Season with privilege of return or \$50 to insure a foal. You will see that ALPHA is a very fine bred horse. I am breeding all of my Gibraltar fillets to him. He is very speedy, and has shown quarters in 25 seconds and half in 1 12. He has got a record of 2 49, but if he had not hit one of his ankles, and had to be stopped in his work, would have got a record in 2 25 or 2 26 sure.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking man ever saw. He took the first premium for 3 year old Stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$30 for the season; \$60 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of mere horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2 3 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 25½; Bonito, dam by St. Clair, 2 year old record 2 24½; 3 year old record 2 18½; Manzanita, dam by St. Clair, 4 year old record 2 15 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.
